Student Dashboard: Profile Completed (100%)

Once you click the final Submit button in Step 7, the system locks your data and returns you to your main dashboard. Your status is now updated.

Updated Dashboard Changes

- **100% Complete Banner:** The tracking dial in the top-right corner now displays 100%, showing your profile setup is complete.
- **Unlock & Edit Profile ->** The primary action link updates to show "Unlocked profile →". This means your background details are securely locked into the database.
- **+ Apply to the offered Courses/Programmes:** Click this main action button to proceed directly to the eligibility-filtered course catalogue.

Next Steps to Apply

- Click the " + Apply to the offered Courses/Programmes " button on the banner.
- Alternatively, click the **Eligible Programmes/Courses** link in the top menu bar to view matching postgraduate courses.

The screenshot displays the user's dashboard with the following elements:

- Header:** Vidyasagar University logo and name, "CENTRALISED ADMISSION PORTAL", navigation links for "Dashboard", "Eligible Programmes/Courses" (highlighted with a red box), and "Institution Choice Filling & Preference List". A user profile icon with the letter 'A' is in the top right.
- Content Area:** A "Welcome" message followed by a progress indicator: "- PROFILE - 100% COMPLETE". Below this, the text reads "Profile Submitted. Now you can Apply to the offered Courses/Programmes." A circular progress gauge on the right shows "100 %".
- Action Buttons:** Two buttons are located at the bottom: "Unlock & Edit Profile →" and "+ Apply to the offered Courses/Programmes". Both buttons are highlighted with red boxes, and red arrows point from the text in the "Next Steps to Apply" section to these buttons.

A Rules for Choice Filling @ Prepare Preference Order List

1. Applicant will get the combined list of his/her applied courses (as per their eligibility) available in Vidyasagar University, different affiliated colleges/institutions and courses running under Centre for Continuing & Adult Education (CCAЕ) wherever the courses are available.
2. Applicant will add applied programme/course wise institution choices one by one. The selected choices will be reflected under "Selected Choices / Preference Order".
3. Choice filling of at least one option against each applied programme/course is mandatory. In case of absence of any choice, the candidature will be completely discarded in future.
4. The applicant can reorder the added courses as per his/her choice preference by dragging up/down. Top of the table (with preference order 1) in "Selected Choices / Preference Order" is the best preferred choice. After merit list is published, seat allotments in different rounds will be given according to merit and to the best available preference as per availability of seats.
5. Once the choice filling and order of preference is finalized candidate need to submit the filled choices/preference by clicking on "Submit Choice & Preference List" button using OTP verification.
6. Choice order can be altered/edited till the Choice submission End Date mentioned above.

INSTITUTION CHOICE FILLING & PREFERENCE LIST

Institution Choice Filling & Preference List

This interface shows a student choice-filling panel split into two main sections:

Left Section: Available Course Choices

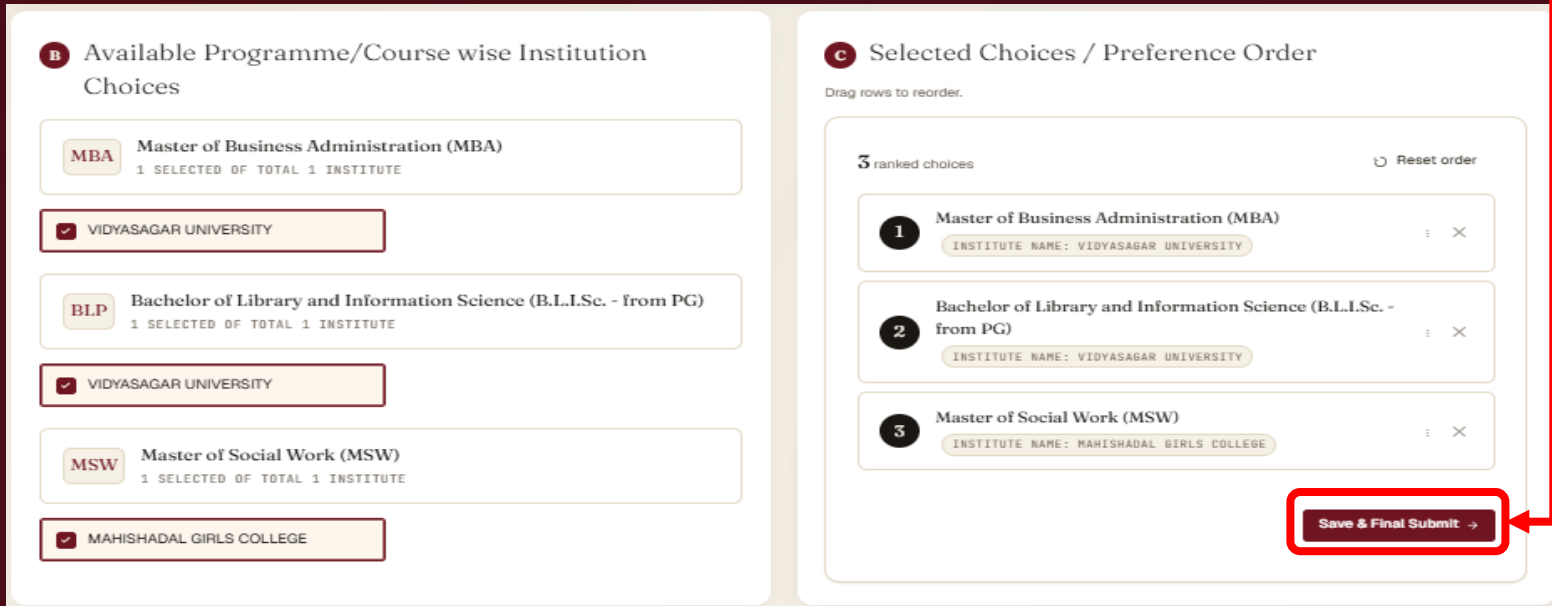

This portal allows an applicant to select and rank their preferred academic programs and affiliated colleges for higher education enrolment. The three options listed on this screen cater to different professional tracks:

Right Section: Selected Preference Order

Selected Choices / Preference Order panel functions as the priority queue that dictates how the central counselling software will allocate seats.

When university seats are being distributed, the automated system scans an applicant's choices strictly from top to bottom, making this right panel the most crucial part of the decision-making process.

- Clicking "**Save & Final Submit**" permanently locks all preferences; no further changes can be made.
